IDEAS & LIFE

Chris Williamson @ChrisWillx · Nov 14 IDEAS & LIFE

“No one looks back on their life and says: I wish I hadn't gone for it, said what I thought, asked for what I wanted, bet on myself, and taken my shot. No one tells stories of Netflix and chilling away their lives.” -@AlexHormozi

SCIENCE & HEALTH

Paul Saladino, MD @paulsaladinomd · Nov 13 SCIENCE & HEALTH

Regular laundry detergents contain compounds that disrupt your endocrine system… so I go with vinegar.

Bryan Johnson @bryan_johnson · Nov 13 SCIENCE & HEALTH

New PR: 435 lb trap bar deadlift

> 2.4x bodyweight
> 615 lb against the 585 lb target

Next gate is coverting strength into speed: 585 lb in 0.2 seconds

BUILDING & MAKING

Simon Sarris @simonsarris · Nov 13 BUILDING & MAKING

Relaxing with a little bowl of cereal at 11pm in a safe home while scrolling the worldcontent is a luxury beyond your ancestors wildest dreams

Dawn @dawninthewild · Nov 14 BUILDING & MAKING

Everyday, I see more of a need to be building @JoinEdgeCity and places and ecosystems like this around the world, and want to share more of these notes here!

🇮🇳 Here’s some field notes from a city that never existed in India 🇮🇳

BOOKS & FAITH

Augustus Doricko @ADoricko · Nov 14 BOOKS & FAITH

I am pleased to report that I prayed for harder battles and our Lord generously answered my prayer in a big way

We ride

LIGHTER

@ratlimit @ratlimit · Nov 14 LIGHTER

I saw a profile pic featuring the most strangely beautiful woman I’ve ever seen.

Yup, in my notifications.

But the Likes kept flowing. A river of notifications. Before I could click her, she was swept away. To whom did I owe the pleasure?

Internet, do your thing! 🙏

. . .

That’s all for today.
